

The Challenge Facing HR in a Recession!

"How Can HR Still Deliver What the Company Needs?"

In association with The Irish Times and Deloitte.

In the majority of organisations, the current extremely tough economic climate is presenting the Human Resources Function with challenges that it hasn't faced in nearly 2 decades.

Are you worried about managing employee uncertainty and maintaining morale levels?

Do you have to deal with selective redundancy programs, navigating the employment law quagmire, pension and taxation issues?

Are your reward and recognition programmes sufficient to retain and grow high potential employees?

Is the time now right for The HR Function to demonstrate its worth to a business, and show how it can generate a Return on Investment for the Function?

Please come and join the following speakers to discuss these challenges and more with

Yvonne Clancy,	HR Director, ACC Bank.
Erica Bourne	VP HR, American Express EMEA
Collette Cotter	HR Manager, DTZ Sherry FitzGerald
Martina Williamson	Senior HR Partner (VP), Citi
Simon McRory	CEO, Graphite HRM
Peter O'Connell	CEO, Impact Measurement Centre
Tom Clancy	Managing Consultant, Recruitment Compass
Jarlath Dooley	HR & Operations Director - Version 1

This 1-Day conference will take place on March the 25th at The National Concert Hall in Dublin, and will be chaired by Mark O'Donnell, Director, Human Capital Advisory Services, Deloitte.
